

IMPRINT

The Yorkshire Mammal Group Newsletter

Index for No.1 (1983) to No. 44 (2017)

Compiled by Mary Youngman

Research overviews and short news items are not included in the index. Yorkshire Mammal Group has been abbreviated to YMG.

Locators are given with volume number in bold preceded by **v** followed by pagination thus **v41** 68–69 denotes Imprint No. 41 pages 68-69. The page numbers correspond to the pagination in the original printed volumes.

Authors of articles are presented in a separate authors index.

Please feel free to send any comments or corrections to archivist@yorkshiremammalgroup.org.uk

A

- Aberford
 - mammal recording walk, **v32** 51
- Acaster Malbis, River Ouse
 - mammal recording walk, **v38** 30
- albinism
 - field vole record, Gouthwaite Reservoir, **v2** 6
 - fox, historical records in Yorkshire, **v6** 14
 - hedgehog, **v40** 7–9
 - vole records, **v7** 13
- alien and exotic mammals in Yorkshire, **v15** 12–15
- Allerthorpe Common
 - mammal recording walk, **v42** 39
 - small mammal survey, **v33** 25–28
- American marten in Britain, research note, **v29** 3–4
- American mink. *see* mink, American
- Ampleforth
 - mammal recording walk, **v40** 32
- Arabian oryx, Shaumari Wildlife Reserve, Jordan, **v25** 33–35
- Ardsley, New Hall Farm
 - small mammal survey, **v36** 30–32
- Arkengarthdale
 - mammal recording walk, **v32** 52–53
- Armthorpe
 - stoat in attic, feeding on house sparrows, **v18** 16–17
- art
 - bat watercolour paintings by Edna Shann, **v25** 2; 43
 - bats in church carvings, **v40** 5–7
 - Da Vinci's *Lady with an ermine or Lass wi' t' ferret*, **v38** 39–41
- Ashberry Pastures
 - small mammal survey, **v20** 9–10, **v21** 12–13, **v25** 6–7
- Askham Bog
 - small mammal survey, **v11** 16, **v28** 15–17, **v31** 6–8, **v38** 20–22, **v41** 46–48
- Atlas of North Yorkshire Mammals*, **v34** 3–5, **v37** 3–5
- autobiography, life and times of a countryside warden, **v24** 34–36

B

- badger
 - above ground nest, **v32** 27–28
 - camera trapping, **v43** 6–7
 - East and North Yorkshire Badger Protection Group, **v11** 18
 - national survey update, **v23** 8
 - national survey, York, **v22** 7–9
 - persecution in Yorkshire, historical review, **v10** 5–12
 - sett recording in Yorkshire and legal protection, **v7** 20–21
 - tunnel under ring road at York, **v4** 10
 - weekend in Somerset, **v23** 20–22
 - York Badger Group, **v20** 33–35, **v22** 32–33
- badger watching
 - Cropton Forest, **v26** 14
 - Somerset, **v24** 32–33

- Tadcaster, **v23** 8–9
- YMG outing, **v10** 16
- Bank Newton Locks, Gargrave
 - small mammal survey, **v27** 28–29
- bank vole
 - albinism records, **v7** 13
 - altitude record, Yorkshire Dales, **v18** 14
 - field identification, characteristics comparison with field vole, **v3** 13
 - recorded in loft space, **v19** 16
- Barlow Common LNR, Selby
 - small mammal survey, **v43** 42–44
- Barmby Barrage
 - mammal recording walk, **v31** 40
- Barmby Moor, St Catherine's churchyard
 - small mammal survey, **v43** 31–32
- bat conferences
 - Bat Conservation Trust annual national conference, Keele University, **v22** 28–29
 - Bat Conservation Trust National Conference, **v30** 38–41
 - Bat Research 7th World and 3rd European Conference, Aberdeen, **v6** 20
 - Bats for an Afternoon, Fauna & Flora Preservation Society, London 1987, **v8** 12
 - Second European Symposium on Bat Research, Bonn 1983, **v2** 18
 - Sixth National Conference, 1989 report, **v15** 23–24
- bat groups
 - Bradford Bat Group report, **v6** 10–11
 - Don Gorge Bat Group, **v24** 24–26
 - East Yorkshire Bat Group report, **v15** 13–14
 - East Yorkshire Bat Group, history, **v27** 35–38
 - East Yorkshire Bat Group, projects and significant records, **v37** 8–11
 - Harrogate and Nidderdale Bat Group report, **v4** 12–13
 - North Yorkshire Bat Group report, **v22** 26–28, **v23** 17–19, **v24** 22–24, **v25** 16–17, **v26** 4–5, **v27** 7–8, **v28** 6–8, **v29** 7–9, **v31** 44–47
 - Ryedale Bat Section report, **v21** 22
 - Tadcaster Bat Section report, **v21** 23
 - West Yorkshire Bat Group report, **v20** 35–37
 - YMG Bat Section report, **v2** 12–19, **v3** 21–22, **v4** 11–12, **v6** 16–18, **v7** 16–17, **v8** 14–16, **v9** 14, **v10** 15–16, **v12** 5, **v15** 6–8, **v16** 6, **v20** 26–29
- bat surveys
 - Beverley Beck, **v17** 10–11, **v20** 31–33, **v21** 34–36
 - bridges use as summer roosts, Harrogate area, **v8** 17
 - Clifton Bridge, York, **v33** 6–10
 - Daubenton's bat**, Kexby Bridge colony survey, **v24** 3–5
 - Hopewell House Farm, Knaresborough, **v30** 43–44
 - Mount Grace Priory, **v27** 12–13
 - National Bat Survey, **v18** 4–5
 - noctule** bat emergence, Clifton Bridge, York, **v33** 6–10
 - pipistrelle** colony count, long term survey, Wheldrake, **v24** 26–30
 - pipistrelle** roost exit counts, Harrogate, **v5** 10–11
 - Raikes Road Burial Ground, Skipton, **v41** 36–39

[continued]

bat surveys [cont.]

- Ryedale Windypits, North York Moors, **v2** 17
- Stub Wood, Vale of York, **v39** 12–17
- surveying bridges in North Yorkshire, **v30** 45–48
- Three Hagges Jubilee Wood, Escrick, **v41** 40–45
- Tophill Low Nature Reserve, **v27** 2–4, **v38** 7
- York, **v31** 31–37
- Yorkshire Dales caves use, **v28** 3

bat surveys, roost boxes

- bat box projects, note, **v3** 18
- bat boxes function and importance, **v3** 17–18
- forest bat box scheme, North York Moors, **v22** 30
- roost box survey, ringed bat recoveries & longevity, Dalby Forest, **v27** 45–46

bats

- BATPODS monitoring method, **v44** 11–20
- bibliography of bat bibliographies, review, **v7** 26
- Brandt's** bat identification and new records for Yorkshire, **v4** 14–16
- brown adipose tissue and hibernation, **v4** 7–9
- brown long-eared** bats body measurements, Rossington Hall, Doncaster, **v17** 13–15
- church carvings, **v40** 5–7
- conservation and timber treatments, **v7** 7
- conservation history in Britain, **v7** 3–6
- Dalby Forest hibernaculum, **v22** 30–31
- Daubenton's** bat roosting and fly ectoparasite, Doncaster Railway Station, **v18** 12–13
- detectors and echolocation, **v33** 41–43
- development of bat studies in Britain, **v3** 15–16
- diurnal predation by birds, **v17** 11–12
- experiences with sick and injured bats, **v10** 18–20
- feeding behaviour, Selwick's Bay, Flamborough, **v38** 8–10
- hibernation site at RAF Chilmark, Wiltshire, visit by YMG members, **v5** 20–21
- Leisler's** bats records in Wakefield, **v17** 15
- lesser horseshoe** bat records in Yorkshire, **v1** 2
- mouse-eared** bat, visit to hibernaculum in south of England, **v7** 19
- Nathusius' pipistrelle** recorded on ferry at dock, Hull, **v38** 7
- Nationwide Association of Preserving Specialists booklet, a response, **v8** 19
- Natterer's** bat, autumn swarming, **v33** 3–5
- Natterer's** bat, historical and recent records, North Yorkshire, **v4** 17–18
- Niokola-Koba National Park, Senegal, **v17** 16–17
- noctule** bat co-habitation with **Daubenton's** bats in tree roost, East Tanfield, **v5** 12–13
- noctule** bat, caring for injured bats and trauma related colour change, **v7** 22–23
- parasite records, Yorkshire, 1885–1985, **v4** 3–6
- pipistrelle** commuting flying speeds, Skidby, **v25** 22–24
- pipistrelle** longevity, survival and population density in Vale of York, **v7** 10–11
- pipistrelle** rehabilitation, **v37** 12–13
- pipistrelle** ringing programme, York, **v13** 5

- pipistrelle** roost revealed by hunting cat, Skidby, **v15** 4
- rehabilitation, **v22** 25–26
- ringed bat recoveries & longevity, Dalby Forest, **v27** 45–46
- roosts, carpet beetle pests encounter, **v36** 23–24
- watercolour paintings by Edna Shann, **v25** 2; 43
- YMG visit to hibernation sites in the Netherlands, **v3** 19–20

Beal (North Yorkshire)

- guinea pig predation by tawny owl, **v15** 5

beaver, European

- historical occurrence in Yorkshire, **v40** 40–41
- past and present, **v29** 32–37
- reintroduction in Scotland, **v29** 6–7

Bedale

- mammal recording walk, **v43** 57

Bempton RSPB reserve

- small mammal survey, **v42** 13–14, **v43** 21–23, **v44** 20–21

Beverley Beck, bat survey, **v17** 10–11, **v20** 31–33, **v21** 34–36

bibliographies

- bat bibliographies, review, **v7** 26
- bird pellet studies, North York Moors and adjacent regions, **v37** 5–8
- Yorkshire cetaceans, **v16** 17–23
- Yorkshire small mammal trapping studies, **v26** 21–28

Bieszczady National Park, wolves, brown bear & lynx, **v26** 30–33

Bilsdale, North York Moors

- mammal recording walk, **v37** 42–43

biodiversity and dog droppings, **v39** 52–54

Bishop Burton, brown hare survey, **v19** 14–15, **v20** 37–38

Bishop Monkton

- mammal recording walk, **v44** 41–42

Bishop Thornton

- water shrew sightings, **v2** 11

Blackwoods, Wheldrake

- small mammal survey, body weights seasonal pattern, **v6** 3–5
- small mammal survey, long term study, **v9** 4–9

Bolton Abbey

- mammal recording walk, **v36** 50

Bolton Percy, River Wharfe

- mammal recording walk, **v36** 50

book reviews

- Al Mashrek*, M. Thompson, 2000, **v27** 47
- Animal Quest - A Naturalist on Four Continents*, M. Delany, 2000, **v28** 47

Yorkshire Mammals, M.J. Delany (ed.), 1985, **v6** 23
- Boroughbridge, River Ure
mammal recording walk, **v40** 31
- Bramham Crossroads
small mammal survey, **v29** 17–19
- Brandt's bat
identification and new records for Yorkshire, **v4** 14–16
- Bridlington, boat trip mammal sightings, **v31** 41
- Brockadale Nature Reserve, near Kirk Smeaton
small mammal survey, **v32** 6–10
- brown bear in Romania, **v30** 41–43
- brown hare
adult response to magpies attacking leveret, observation, **v7** 12
aquatic behaviour, **v6** 19
National Hare Survey, Ripplingham & Bishop Burton, **v19** 14–15
National Survey, **v26** 6–8
sightings in Slingsby, **v24** 36–37
survey, Bishop Burton & Walkington, Yorkshire Wolds, **v20** 37–38
- brown long-eared bats
body measurements, Rossington Hall, Doncaster, **v17** 13–15
- brown rat
brief live sighting then roadkill record on motorway near Pontefract, **v1** 9
on hanging bird feeder, **v26** 29
juvenile trapped in Longworth trap at Occaney, Harrogate, **v7** 17
pest on the Galapagos, **v24** 40–44

- Buckden, Wharfedale
mammal recording walk, **v37** 45
- Bugthorpe, Yorkshire Wolds
mammal recording walk, **v44** 41
- C
- camera trapping
badger, **v43** 6–7
at Laverton, **v40** 3–4
- Castle Howard
mammal recording walk, **v31** 39–40
- Catterick, 18 Acres, Swale Lane
small mammal survey, **v31** 8–10
- cetaceans
Yorkshire studies, records and bibliography, **v16** 17–23
- Chafer Wood
small mammal survey, **v15** 10–11, **v22** 9–12
- Cheshire, Rostherne Mere NNR
small mammal community, effect of ground cover, **v36** 18–22
- Chestnut Centre, Debyshire, YMG visit, **v21** 20
- Clifton Ings, York
weasel predation on water vole, observation, **v27** 9
- Cod Beck Reservoir, Osmotherley
mammal recording walk, **v39** 44
- common pipistrelle. *see* pipistrelle, common
- conference reports
Annual Conference for Conservation Officers of Britain's Wildlife Trust, Exeter, **v22** 33–34
Bat Conservation Trust annual national conference, Keele University, **v22** 28–29

red squirrel, **v40** 12–17
rhinos in South Africa, **v43** 9–21
- Copmanthorpe Primary School, York
small mammal survey, class activity, **v32** 29
- Coverdale, Yorkshire Dales
mammal recording walk, **v38** 31
- Cromwell Bottom LNR
small mammal survey, **v28** 29–32, **v35** 11–14, **v43** 33–35
- Cropton Forest
badger watching, **v26** 14
small mammal survey, **v8** 7–8
- D
- Dalby Forest
bat hibernaculum, **v22** 30–31
bat roost box survey, ringed bat recoveries & longevity, **v27** 45–46
small mammal survey, **v34** 11–13
YMG exhibit, **v21** 21
- Danby Dale
water shrew survey & diet, **v34** 31–42
- Daubenton's bat
bridges use as summer roosts, Harrogate area, **v8** 17
co-habitation with noctules in tree roost, East Tanfield, **v5** 12–13
Kexby Bridge colony survey, **v24** 3–5
roosting and fly ectoparasite, Doncaster Railway Station, **v18** 12–13
- deer, roe. *see* roe deer
- dog droppings and biodiversity, **v39** 52–54
- Doncaster
Railway Station, Daubenton's bat roosting and fly ectoparasite, **v18** 12–13
region, polecat/ferret records, **v36** 4–7
Rossington Hall, brown long-eared bats measurements, **v17** 13–15
- Donna Nook NNR, Lincolnshire
grey seal breeding colony, YMG visit, **v32** 54–55
- dormouse
Great Nut Hunt 1993, **v21** 6–9
Great Nut Hunt, Crag Cliff Wood, North York Moors, **v29** 15–17
Great Nut Hunt, East Yorkshire, **v21** 9–11
handling license training day account, Cheddar, **v28** 40–41
historical records, North York Moors and adjacent regions, **v37** 30–39
Rievaulx Terrace box project, **v10** 13–14, **v11** 17, **v13** 6–7, **v15** 7–8, **v15** 9, **v17** 5–6
walk, Gillamoor, Kirbymoorside, **v17** 5

- dormouse reintroduction projects
 Freeholders' Wood, Aysgarth, **v35** 27–28, **v39** 47–52, **v40** 35–40, **v41** 62–68, **v42** 43–50, **v43** 4–5, **v43** 59–65, **v44** 45–51
 Helmsley, **v26** 9–13, **v27** 17–19, **v29** 37–40, **v30** 24–28, **v31** 18–24, **v33** 11–15, **v34** 17–21, **v35** 19–24, **v36** 43–45, **v37** 39–40, **v38** 36–37
 in North Yorkshire, Yorkshire Post reprints, **v34** 25–28, **v34** 29–30
 search for suitable woodland in Yorkshire, **v23** 25–27
 West Tanfield, **v31** 25–30, **v32** 44–47, **v33** 16–18, **v34** 22–24, **v35** 25–27, **v36** 45, **v37** 40–42, **v38** 38, **v39** 46–47, **v40** 34–35, **v41** 60–61, **v42** 42, **v43** 58
- Duncombe Park, Helmsley
 mammal recording walk, **v37** 28
- DVD review
British Mammal Guide, The, S. Evans & P. Wetton, **v42** 55–57
- E**
- Easingwold
 small mammal surveys, **v43** 47–50
- East Keswick
 small mammal survey, **v36** 24–27, **v39** 39–41, **v40** 26–29, **v41** 52–56, **v44** 34–38
- East Tanfield
 co-habitation of two bat species in tree roost, **v5** 12–13
- Eastrington Ponds, East Yorkshire
 small mammal survey, **v27** 30–35
- echolocation, **v33** 41–43
- education
