

# IMPRINT

## The Yorkshire Mammal Group Newsletter

### Index (No.1 to No. 42)

Compiled by Mary Youngman

Research overviews and short news items are not included in the index. Yorkshire Mammal Group has been abbreviated to YMG.

Locators are given with volume number in bold preceded by **v** followed by pagination thus **v41** 68–69 denotes Imprint No. 41 pages 68-69. The page numbers correspond to the pagination in the original printed volumes.

Authors of articles are presented in a separate authors index. In the author index only volume numbers are given.

Please feel free to send any comments or corrections to [wportfolio@yorkshiremammalgroup.org.uk](mailto:wportfolio@yorkshiremammalgroup.org.uk)

## A

- Aberford
    - mammal recording walk, **v32** 51
  - Acaster Malbis, River Ouse
    - mammal recording walk, **v38** 30
  - albinism
    - field vole record, Gouthwaite Reservoir, **v2** 6
    - fox, historical records in Yorkshire, **v6** 14
    - hedgehog, **v40** 7–9
    - vole records, **v7** 13
  - alien and exotic mammals in Yorkshire, **v15** 12–15
  - Allerthorpe Common
    - mammal recording walk, **v42** 39
    - small mammal survey, **v33** 25–28
  - American marten in Britain, research note, **v29** 3–4
  - American mink. *see* mink, American
  - Ampleforth
    - mammal recording walk, **v40** 32
  - Arabian oryx, Shaumari Wildlife Reserve, Jordan, **v25** 33–35
  - Ardsley, New Hall Farm
    - small mammal survey, **v36** 30–32
  - Arkengarthdale
    - mammal recording walk, **v32** 52–53
  - Armthorpe
    - stoat in attic, feeding on house sparrows, **v18** 16–17
  - art
    - bat watercolour paintings by Edna Shann, **v25** 2; 43
    - bats in church carvings, **v40** 5–7
    - Da Vinci's *Lady with an ermine* or *Lass wi' t' ferret*, **v38** 39–41
  - Ashberry Pastures
    - small mammal survey, **v20** 9–10, **v21** 12–13, **v25** 6–7
  - Askham Bog
    - small mammal survey, **v11** 16, **v28** 15–17, **v31** 6–8, **v38** 20–22, **v41** 46–48
  - Atlas of North Yorkshire Mammals*, **v34** 3–5, **v37** 3–5
  - autobiography, life and times of a countryside warden, **v24** 34–36
- ## B
- badger
    - above ground nest, **v32** 27–28
    - East and North Yorkshire Badger Protection Group, **v11** 18
    - national survey update, **v23** 8
    - national survey, York, **v22** 7–9
    - persecution in Yorkshire, historical review, **v10** 5–12
    - sett recording in Yorkshire and legal protection, **v7** 20–21
    - tunnel under ring road at York, **v4** 10
    - weekend in Somerset, **v23** 20–22
    - York Badger Group, **v20** 33–35, **v22** 32–33
  - badger watching
    - Cropton Forest, **v26** 14
    - Somerset, **v24** 32–33
    - Tadcaster, **v23** 8–9
    - YMG outing, **v10** 16
  - Bank Newton Locks, Gargrave
    - small mammal survey, **v27** 28–29
  - bank vole
    - albinism records, **v7** 13
    - altitude record, Yorkshire Dales, **v18** 14
    - field identification, characteristics comparison with field vole, **v3** 13
    - recorded in loft space, **v19** 16
  - Barmby Barrage
    - mammal recording walk, **v31** 40

## bat conferences

- Bat Conservation Trust annual national conference, Keele University, **v22** 28–29
  - Bat Conservation Trust National Conference, **v30** 38–41
  - Bat Research 7th World and 3rd European Conference, Aberdeen, **v6** 20
  - Bats for an Afternoon, Fauna & Flora Preservation Society, London 1987, **v8** 12
  - Second European Symposium on Bat Research, Bonn 1983, **v2** 18
  - Sixth National Conference, 1989 report, **v15** 23–24
- ## bat groups
- Bradford Bat Group report, **v6** 10–11
  - Don Gorge Bat Group, **v24** 24–26
  - East Yorkshire Bat Group report, **v15** 13–14
  - East Yorkshire Bat Group, history, **v27** 35–38
  - East Yorkshire Bat Group, projects and significant records, **v37** 8–11
  - Harrogate and Nidderdale Bat Group report, **v4** 12–13
  - North Yorkshire Bat Group report, **v22** 26–28, **v23** 17–19, **v24** 22–24, **v25** 16–17, **v26** 4–5, **v27** 7–8, **v28** 6–8, **v29** 7–9, **v31** 44–47
  - Ryedale Bat Section report, **v21** 22
  - Tadcaster Bat Section report, **v21** 23
  - West Yorkshire Bat Group report, **v20** 35–37
  - YMG Bat Section report, **v2** 12–19, **v3** 21–22, **v4** 11–12, **v6** 16–18, **v7** 16–17, **v8** 14–16, **v9** 14, **v10** 15–16, **v12** 5, **v15** 6–8, **v16** 6, **v20** 26–29

## bat surveys

- Beverley Beck, **v17** 10–11, **v20** 31–33, **v21** 34–36
  - bridges use as summer roosts, Harrogate area, **v8** 17
  - Clifton Bridge, York, **v33** 6–10
  - Daubenton's bat**, Kexby Bridge colony survey, **v24** 3–5
  - Hopewell House Farm, Knaresborough, **v30** 43–44
  - Mount Grace Priory, **v27** 12–13
  - National Bat Survey, **v18** 4–5
  - noctule** bat emergence, Clifton Bridge, York, **v33** 6–10
  - pipistrelle** colony count, long term survey, Wheldrake, **v24** 26–30
  - pipistrelle** roost exit counts, Harrogate, **v5** 10–11
  - Raikes Road Burial Ground, Skipton, **v41** 36–39
  - Ryedale Windypits, North York Moors, **v2** 17
  - Stub Wood, Vale of York, **v39** 12–17
  - surveying bridges in North Yorkshire, **v30** 45–48
  - Three Hagges Jubilee Wood, Escrick, **v41** 40–45
  - Tophill Low Nature Reserve, **v27** 2–4, **v38** 7
  - York, **v31** 31–37
  - Yorkshire Dales caves use, **v28** 3
- ## bat surveys, roost boxes
- bat box projects, note, **v3** 18
  - bat boxes function and importance, **v3** 17–18
  - forest bat box scheme, North York Moors, **v22** 30
  - roost box survey, ringed bat recoveries & longevity, Dalby Forest, **v27** 45–46
- ## bats
- bibliography of bat bibliographies, review, **v7** 26
  - Brandt's** bat identification and new records for Yorkshire, **v4** 14–16
  - brown adipose tissue and hibernation, **v4** 7–9
  - brown long-eared** bats body measurements, Rossington Hall, Doncaster, **v17** 13–15
  - church carvings, **v40** 5–7
  - conservation and timber treatments, **v7** 7
  - conservation history in Britain, **v7** 3–6
  - Dalby Forest hibernaculum, **v22** 30–31
  - Daubenton's** bat roosting and fly ectoparasite, Doncaster Railway Station, **v18** 12–13

[continued]

bats [cont.]

- detectors and echolocation, **v33** 41–43  
 development of bat studies in Britain, **v3** 15–16  
 diurnal predation by birds, **v17** 11–12  
 experiences with sick and injured bats, **v10** 18–20  
 feeding behaviour, Selwick's Bay, Flamborough, **v38** 8–10  
 hibernation site at RAF Chilmark, Wiltshire, visit by YMG members, **v5** 20–21  
**Leisler's** bats records in Wakefield, **v17** 15  
**lesser horseshoe** bat records in Yorkshire, **v1** 2  
**mouse-eared** bat, visit to hibernaculum in south of England, **v7** 19  
**Nathusius' pipistrelle** recorded on ferry at dock, Hull, **v38** 7  
 Nationwide Association of Preserving Specialists booklet, a response, **v8** 19  
**Natterer's** bat, autumn swarming, **v33** 3–5  
**Natterer's** bat, historical and recent records, North Yorkshire, **v4** 17–18  
 Niokola-Koba National Park, Senegal, **v17** 16–17  
**noctule** bat co-habitation with **Daubenton's** bats in tree roost, East Tanfield, **v5** 12–13  
**noctule** bat, caring for injured bats and trauma related colour change, **v7** 22–23  
 parasite records, Yorkshire, 1885-1985, **v4** 3–6  
**pipistrelle** commuting flying speeds, Skidby, **v25** 22–24  
**pipistrelle** longevity, survival and population density in Vale of York, **v7** 10–11  
**pipistrelle** rehabilitation, **v37** 12–13  
**pipistrelle** ringing programme, York, **v13** 5  
**pipistrelle** roost revealed by hunting cat, Skidby, **v15** 4  
 rehabilitation, **v22** 25–26  
 ringed bat recoveries & longevity, Dalby Forest, **v27** 45–46  
 roosts, carpet beetle pests encounter, **v36** 23–24  
 watercolour paintings by Edna Shann, **v25** 2; 43  
 YMG visit to hibernation sites in the Netherlands, **v3** 19–20  
 Beal (North Yorkshire)  
 guinea pig predation by tawny owl, **v15** 5  
 beaver, European  
 historical occurrence in Yorkshire, **v40** 40–41  
 past and present, **v29** 32–37  
 reintroduction in Scotland, **v29** 6–7  
 Bempton RSPB reserve  
 small mammal survey, **v42** 13–14  
 Beverley Beck, bat survey, **v17** 10–11, **v20** 31–33, **v21** 34–36  
 bibliographies  
 bat bibliographies, review, **v7** 26  
 bird pellet studies, North York Moors and adjacent regions, **v37** 5–8  
 Yorkshire cetaceans, **v16** 17–23  
 Yorkshire small mammal trapping studies, **v26** 21–28  
 Bieszczady National Park, wolves, brown bear & lynx, **v26** 30–33  
 Bilsdale, North York Moors  
 mammal recording walk, **v37** 42–43  
 biodiversity and dog droppings, **v39** 52–54  
 Bishop Burton, brown hare survey, **v19** 14–15, **v20** 37–38  
 Bishop Thornton  
 water shrew sightings, **v2** 11  
 Blackwoods, Wheldrake  
 small mammal survey, body weights seasonal pattern, **v6** 3–5  
 small mammal survey, long term study, **v9** 4–9  
 Bolton Abbey  
 mammal recording walk, **v36** 50

- Bolton Percy, River Wharfe  
 mammal recording walk, **v36** 50  
 book reviews  
*Al Mashrek*, M. Thompson, 2000, **v27** 47

- World of Animals, The*, D. Morris, 1993, **v20** 43
- Yorkshire Mammals*, M.J. Delany (ed.), 1985, **v6** 23
- Boroughbridge, River Ure  
mammal recording walk, **v40** 31
- Bramham Crossroads  
small mammal survey, **v29** 17–19
- Brandt's bat  
identification and new records for Yorkshire, **v4** 14–16
- Bridlington, boat trip mammal sightings, **v31** 41
- Brockadale Nature Reserve, near Kirk Smeaton  
small mammal survey, **v32** 6–10
- brown bear in Romania, **v30** 41–43
- brown hare  
adult response to magpies attacking leveret, observation, **v7** 12  
aquatic behaviour, **v6** 19  
National Hare Survey, Ripplingham & Bishop Burton, **v19** 14–15  
National Survey, **v26** 6–8  
sightings in Slingsby, **v24** 36–37  
survey, Bishop Burton & Walkington, Yorkshire Wolds, **v20** 37–38
- brown long-eared bats  
body measurements, Rossington Hall, Doncaster, **v17** 13–15
- brown rat  
brief live sighting then roadkill record on motorway near Pontefract, **v1** 9  
on hanging bird feeder, **v26** 29  
juvenile trapped in Longworth trap at Occaney, Harrogate, **v7** 17  
pest on the Galapagos, **v24** 40–44
- Buckden, Wharfedale  
mammal recording walk, **v37** 45

- C
- camera trapping, Laverton, **v40** 3–4
- Castle Howard  
mammal recording walk, **v31** 39–40
- Catterick, 18 Acres, Swale Lane  
small mammal survey, **v31** 8–10
- cetaceans  
Yorkshire studies, records and bibliography, **v16** 17–23

badger watching, **v26** 14  
small mammal survey, **v8** 7–8

## D

- Dalby Forest  
bat hibernaculum, **v22** 30–31  
bat roost box survey, ringed bat recoveries & longevity, **v27** 45–46  
small mammal survey, **v34** 11–13  
YMG exhibit, **v21** 21
- Danby Dale  
water shrew survey & diet, **v34** 31–42
- Daubenton's bat  
bridges use as summer roosts, Harrogate area, **v8** 17  
co-habitation with noctules in tree roost, East Tanfield, **v5** 12–13  
Kexby Bridge colony survey, **v24** 3–5  
roosting and fly ectoparasite, Doncaster Railway Station, **v18** 12–13
- deer, roe. *see* roe deer
- dog droppings and biodiversity, **v39** 52–54
- Doncaster  
Railway Station, Daubenton's bat roosting and fly ectoparasite, **v18** 12–13  
region, polecat/ferret records, **v36** 4–7  
Rossington Hall, brown long-eared bats measurements, **v17** 13–15
- Donna Nook NNR, Lincolnshire  
grey seal breeding colony, YMG visit, **v32** 54–55
- dormouse  
Great Nut Hunt 1993, **v21** 6–9  
Great Nut Hunt, Crag Cliff Wood, North York Moors, **v29** 15–17  
Great Nut Hunt, East Yorkshire, **v21** 9–11  
handling license training day account, Cheddar, **v28** 40–41  
historical records, North York Moors and adjacent regions, **v37** 30–39  
Rievaulx Terrace box project, **v10** 13–14, **v11** 17, **v13** 6–7, **v15** 7–8, **v15** 9, **v17** 5–6  
walk, Gillamoor, Kirbymoorside, **v17** 5
- dormouse reintroduction projects  
Freeholders' Wood, Aysgarth, **v35** 27–28, **v39** 47–52, **v40** 35–40, **v41** 62–68, **v42** 43–50  
Helmsley, **v26** 9–13, **v27** 17–19, **v29** 37–40, **v30** 24–28, **v31** 18–24, **v33** 11–15, **v34** 17–21, **v35** 19–24, **v36** 43–45, **v37** 39–40, **v38** 36–37  
in North Yorkshire, Yorkshire Post reprints, **v34** 25–28, **v34** 29–30  
search for suitable woodland in Yorkshire, **v23** 25–27

## education

- environmental education service *Mobile mini-beasts*, **v25** 37–39

## Ellerton

- Ellerton Church, owl pellet analysis, **v28** 24–25  
Tregonning, small mammal survey, **v34** 5–7

## Escrick, Three Hagges Jubilee Wood

- small mammal and bat surveys, **v41** 40–45  
small mammal survey, **v42** 22–25

## European beaver. *see* beaver, European

- exotic and alien mammals in Yorkshire, **v15** 12–15

## F

### Farndale

- mammal recording walk, **v41** 58

### ferret/polecat

- identification and hybridisation, **v37** 45–47  
records, Doncaster region, **v36** 4–7  
roadkill carcass records and facial masks, **v41** 9–12

### field mouse. *see* wood mouse

### field sighting identifications reliability, **v8** 3–5

### field vole

- albinism historical record, **v7** 13  
albino record, Gouthwaite Reservoir, **v2** 6  
field identification, characteristics comparison with bank vole, **v3** 13  
photo, Filey Dams, **v41** 25

### Filey

- water shrews recorded, **v6** 12–13

### Filey Country Park

- small mammal survey, **v41** 25–28

### Filey Dams

- field vole photo, **v41** 25  
small mammal survey, **v8** 7, **v10** 3, **v20** 7–8, **v22** 13–18, **v27** 41–44, **v32** 16–19, **v35** 10–11, **v41** 28–31  
small mammal survey, owl pellet analysis, **v32** 19–22  
water shrews project, **v15** 8

### Filey Nature Reserves

- small mammal survey, **v40** 9–12

### Flamborough

- Selwick's Bay, bat feeding behaviour, **v38** 8–10

### Flamingo Land Zoo

- small mammal survey, **v39** 5–7

### Follifoot, Harrogate

- mammal recording walk, **v39** 41–42

### Forge Valley, Scarborough

- mammal recording walk, **v32** 52

### Fountains Abbey

- mammal recording walk, **v33** 39–40, **v41** 58

### fox

- albinism historical records, Yorkshire, **v6** 14  
cubs above ground in February, observation, **v9** 11  
diet study, Lindholme Moor, **v26** 38–42  
National Survey, **v27** 10–11  
teased by magpies, **v12** 10  
urban sightings, York, **v25** 24–25

### Foxglove Covert, Catterick Garrison

- small mammal survey, **v30** 29–36

### Freeholders' Wood, Aysgarth

- dormouse reintroduction, **v35** 27–28, **v39** 47–52, **v40** 35–40, **v41** 62–68, **v42** 43–50

## G

- Galapagos
  - introduced rat problem, **v24** 40–44
  - mammals, **v26** 35–37
- Garbutt Wood
  - small mammal survey, **v18** 5
- garden mammal sightings, Sinnington, **v25** 40–42
- giant otter, YMG visit to Chestnut Centre, Peak District, **v28** 33–34
- Gilling West, Richmond
  - mammal recording walk, **v38** 28–29
- Goldsborough, Knaresborough
  - mammal recording walk, **v41** 57–58
- gorillas in Parc des Volcans, Rwanda, **v19** 9–11
- Gouthwaite Reservoir
  - albino field vole record, **v2** 6
- Grassington
  - River Wharfe, mammal recording walk, **v34** 50–51
- Great Ayton
  - small mammal survey, **v29** 25–30, **v30** 29–36
- Great Ouseburn
  - mammal recording walk, **v35** 29–32
- grey seal
  - Donna Nook NNR breeding colony, YMG visit, **v32** 54–55
- grey squirrel
  - culling, **v40** 12–17
- guinea pig predation by tawny owl, Beal (North Yorkshire), **v15** 5
- Gunnarside, Swaledale
  - mammal recording walk, **v37** 44

## H

- hare, brown
  - adult response to magpies attacking leveret, observation, **v7** 12
  - aquatic behaviour, **v6** 19
  - National Hare Survey, Ripplingham & Bishop Burton, **v19** 14–15
  - National Survey, **v26** 6–8
  - sightings in Slingsby, **v24** 36–37
  - survey, Bishop Burton & Walkington, Yorkshire Wolds, **v20** 37–38
- hare, mountain
  - annual census, Peak District, **v1** 7, **v35** 3–5
- Harewood
  - mammal recording walk, **v42** 41
  - River Wharfe, mammal recording walk, **v34** 51–53
- harp seal, new records, Yorkshire and Humberside waters, **v15** 15–18
- Harrogate
  - bat surveys, bridges use as summer roosts, **v8** 17
  - Follifoot, mammal recording walk, **v39** 41–42
  - Harrogate and District Naturalists' Society field meeting report, River Ure, **v3** 14
  - Occaney, juvenile brown rat trapped in Longworth trap, **v7** 17
  - pipistrelle bat roost exit counts, **v5** 10–11
- harvest mouse
  - Hopewell House Farm record and relationship with modern farming practice, **v3** 24
  - survey, owl pellet analysis, North York Moors, **v41** 20–24, **v42** 10–12
- Hatfield Moors
  - fox diet, **v26** 38–42
  - small mammal survey, **v24** 8–15, **v36** 36–38, **v38** 18–20
- Hawai'i, native and introduced mammals, **v22** 34–39

- Hayburn Wyke Wood, Scarborough
    - small mammal survey, **v38** 23–25
  - Headingley, St Chad's churchyard
    - small mammal survey, **v31** 4–6
  - hedgehog
    - albinism, **v40** 7–9
    - eradication on Uist and translocation survival study in North Ayrshire, **v32** 47–49
    - garden characteristics and conservation, **v42** 5–7
    - garden visit, Tadcaster, **v2** 8
    - health, faecal odours and tick burden, **v39** 17–19
    - Hedgehog Roadkill Report 1993, summary, **v21** 5–6
    - juveniles susceptibility to disease, **v25** 31–32
    - nesting in burrow, Holme-upon-Spalding Moor, **v6** 18
    - pathogens, parasites and population decline, **v30** 37–38
    - predation and remains scavenging by owls, **v2** 7
    - rescue, **v40** 7–9, **v41** 3–5
    - viral disease, **v9** 3
    - young weight gain in early and late litters, **v36** 12–17
  - Helmstley
    - dormouse reintroduction, **v26** 9–13, **v27** 17–19, **v29** 37–40, **v30** 24–28, **v31** 18–24, **v33** 11–15, **v34** 17–21, **v35** 19–24, **v36** 43–45, **v37** 39–40, **v38** 36–37
    - Duncombe Park, mammal recording walk, **v37** 28
    - mammal recording walk, **v31** 39, **v40** 31
  - High Batts Nature Reserve, Ripon
    - small mammal survey, **v8** 6, **v9** 16, **v10** 2, **v11** 14–15, **v12** 12
  - Hong Kong, mammal sightings, **v15** 9–12
  - Hopewell House Farm, Knaresborough
    - bat survey, **v30** 43–44
    - harvest mouse record, **v3** 24
    - project background and small mammal survey 1980-84 review, **v3** 3–9
    - small mammal survey, **v5** 3–4, **v7** 14–15, **v9** 17, **v10** 3, **v11** 15–16, **v27** 20–25, **v37** 18–24
    - small mammal survey, long term trap report, **v11** 2–11
    - YMG evening field meeting, **v25** 18–20
  - house mouse recorded in loft space, **v19** 16
  - Hovingham
    - mammal recording walk, **v36** 46–47, **v41** 60
  - Howden
    - water voles, YMG evening walk, **v28** 18–19
  - Howsham Mill
    - small mammal survey, **v40** 23–26
  - Hull
    - Nathusius' pipistrelle recorded on ferry at dock, **v38** 7
    - water vole records, **v41** 13–14
  - Humber Wildfowl Refuge
    - small mammal survey, **v20** 11–12
  - Hungary
    - steppe mammal records, **v32** 42–43
- ## I
- identification of field sightings, reliability, **v8** 3–5
  - Imprint*, brief history, **v35** 17–19
  - Ingleby Greenhow
    - small mammal survey, **v30** 29–36
  - Ireland, pygmy shrews colonisation, research note, **v30** 2–3
  - Israel
    - Ein Gedi Nature Reserve mammals, **v16** 11–13
    - Hai-Bar Reserve visit, **v27** 39–41
    - mole rats species complex evolution, **v16** 14–16

## J

- Jeffrey Bog
  - small mammal survey, **v18** 10–11
- Jordan, Shaumari Wildlife Reserve, Arabian oryx, **v25** 33–35

## K

- Kexby Bridge
  - Daubenton's bat colony survey, **v24** 3–5
- Kirbymoorside, Gillamoor
  - dormouse walk, **v17** 5
- Kirkham Priory
  - mammal recording walk, **v38** 27–28
- Knaresborough
  - River Nidd, mammal recording walk, **v32** 49–50

## L

- Langthwaite, Arkengarthdale
  - mammal recording walk, **v42** 39–40
- Laverton, otter camera trapping, **v40** 3–4
- Ledsham Banks Nature Reserve
  - small mammal survey, **v33** 33–35
- Ledston Luck Nature Reserve, Leeds
  - small mammal survey, **v41** 49–51, **v42** 33–37
- Leeds University Farm
  - small mammal survey, **v17** 6–8, **v18** 6–10, **v19** 5–8, **v20** 12–23, **v21** 13–19, **v22** 19–24
- Leisler's bats
  - records Wakefield, **v17** 15
- lesser horseshoe bat
  - records in Yorkshire, **v1** 2
- Lindholme Moor
  - fox diet study, **v26** 38–42
- Little Ouseburn
  - mammal recording walk, **v35** 29–32
- live trapping small mammals
  - studies in Yorkshire, 30 year review & YMG's contribution to science, **v26** 21–28
  - success without prebaiting, **v2** 10
  - trap types comparison, **v41** 32–35
  - . see also small mammal surveys
- loft invasion by small mammals, **v19** 16
- Londesborough Park, Market Weighton
  - mammal recording walk, **v37** 42
- long-tailed field mouse. see wood mouse
- Longworth traps
  - BioEcoSS Tube traps comparison, **v41** 32–35
- Lowthorpe, weasel scats found in bungalow loft, **v18** 15–16

## M

- Malham
  - mammal recording walk, **v38** 30
- Malham Tarn, weekend field course, **v6** 9
- mammal recording walks
  - Aberford, **v32** 51
  - Allerthorpe Common, **v42** 39
  - Ampleforth, **v40** 32
