YORKSHIRE PHILOSOPHICAL SOCIETY RESEARCH GRANTS

The Society allocates a sum of money each year to be awarded as grants to aid independant research. The Education Committee of the Society receives applications and makes awards. Grants which are made could normally be expected to be up to £150.00.

Special consideration is given to menbers of the Society and to applicants working in the historic County of Yorkshire. The work has to fall within the aims of the Society, namely: "the promotion of Natural Science and the study of Archaeology and Antiquities in the County of Yorkshire and elsewhere".

The following are examples of the Research Grants made to assist research:-

AERIAL ARCHAEOLOGY
KIRK SINK EXCAVATION
VOLCANOLOGY
YORKSHIRE MAMMAL GROUP (TRAPS)
VERNACULAR BUILDINGS SURVEY

Early application is desirable. Applications received between the beginning of September and the middle of november are likely to recive a prompt reply. Candidates may be interviewed by representatives of the Committee, with experts co-opted for any particular project.

APPLICATIONS

Kindly prepare your application in the following terms:-

1 Name, adding any relevant qualifications.

2 Address and telephone number.

3 Nature of research; a brief resume of what is to be done and when, together with an estimated date for completion.

4 Specific use to which the Grant would be devoted. The Society is willing to give partial support for expensive projects, in which case some indication of other bodies which have been approached, would be helpful.

5 Signature and Date, indicating that the conditions have been read and accepted.

Applications should be sent to the Society's office at :-

The Lodge,
Museum Gardens,
York,
YP1 2DR.

Recipients of grants will be required to report on their work and to give an account of their expenditure of the Grant within a time laid down by the Committee. They will give the Society permission to publish their work , or part of it, if required. Normally grants up to £150.00 will be made.
